\* Minimum quantity of 500 units may be required for special colors.

## Aptitude™ 470 Open Front Student Desk Specifications

**Frame/Bookbox:** Self-standing with built-in 18-gauge steel bookbox. 1-1/4" diameter, 18-gauge leg uppers form the corners of the book compartment for added strength and ease of cleaning. The leg uppers are mig welded to the bookbox and a 5/8" U-Brace is welded to all four legs. Bookbox is 5-1/4" x 22" x 16-1/2" deep with rolled front edge. Frame is powder-coated after all welding is complete.

**Frame/Bookbox Colors:** Available in standard Black. Optional Blue, Beige, Burgundy, Teal, and Grey. Custom colors available.

**Inserts:** 1.110" diameter, 16-gauge nickel/chrome plated tubing with punched holes to receive adjusting screws. Leg adjustment uses self-tapping locking screws which pass completely through both upper leg and lower insert. Dual-bolt attachment at 1" increments.

**Glides:** Nylon or steel, your choice. Swivel design, case hardened steel, super silent deep ferrule. All glides make full level contact with floor. Designed so the maximum swivel angle of the glide is not violated.

**Top:** Solid molded thermoset plastic. 18" x 24" x 5/8" with smooth molded edges and permanent color throughout thickness. Pencil groove. Top is attached using self-tapping screws into seven uniformly drilled holes.

**Standard Tops: Solid Melamine:** Available in Beige, Grey, Charcoal, Oak (not pictured), and Walnut.

**Optional Top Colors:** Available in high pressure laminate Fiber Resin™ colors Light Oak, Walnut or Grey Nebula.

**Standard Frame Finishes:** Bright Nickel-Chrome and (Electrostatically applied powder- epoxy) Silver Vein are standard frame and bookbox colors.

## Warranty:

- Limited lifetime frame warranty
- Eight year thermoset plastic warranty
- Two year finish/wearing parts warranty

**Samples:** Compliance with the specifications and verification of required quality levels may be determined by requesting samples.

## Models:

- 470•22-1/4" - 30-1/4" Adjustable at 1" increments.
